

UNITED STATES
CIVILIAN BOARD OF CONTRACT APPEALS

DISMISSED: February 7, 2008

CBCA 528

GEORGE P. GOBBLE,

Appellant,

v.

GENERAL SERVICES ADMINISTRATION,

Respondent.

George P. Gobble, pro se, Vinton, VA.

Gabriel N. Steinberg, Office of Regional Counsel, General Services Administration,
Atlanta, GA, counsel for Respondent.

PARKER, Board Judge.

ORDER

On December 20, 2006, George P. Gobble appealed the final decision of a General Services Administration contracting officer assessing appellant liquidated damages in connection with the purchase at auction of a 2005 Gulf Stream Travel Trailer. Appellant stated that he did not bid on the travel trailer and that his username and password had been stolen.

On February 5, 2008, respondent filed a notification of agreement for dismissal, stating:

Now Comes respondent by its attorney and notifies the Board that on February 4, 2008 the respondent obtained a copy of the police report made by appellant on this matter. The respondent had previously received appellant's statement made under penalty of perjury that he did not bid on Lot 42, the travel trailer, and that he had made such a police report.

Respondent, therefore, in accord with its conference with the appellant and the Board on January 24, 2008 agrees to withdraw its claim for liquidated damages from the appellant upon the Board entering its Order of Dismissal in this appeal.

Appellant stated that he has no objection to respondent's motion.

Accordingly, the appeal is **DISMISSED**.
